

Terms and Conditions

Our terms and conditions are very simple:

1. If we provide samples of some data sets or free data sets – they are free to use by **you or your business unit*** but cannot be redistributed in any form, for free or for a payment.
2. To provide the rights to your business, you will need to use your **business/work email address** on checkout. Using a personal email address only provides right to you as an individual to use the data.
3. Any data you download is provided for the exclusive use for you or for your **primary business unit*** (if you used your business/work email to purchase the data), the data **may not be redistributed, sold, provided free of charge, shared or repackaged** in other data sets or software or apps (packaged or SaaS).
4. If you **need to redistribute** the data or merge it with other data to provide value added services or enhanced data services within your organization or as a service used by your customers, please [contact us](#) for redistribution or **data licensing** options.
5. If you want to use the data internally in **large organizations** and multiple business units* in a large organization please contact us for enterprise licensing options.
6. If you plan to use the data in **open source products**, please [contact us](#) for approval.
7. If you plan to use the data in **online or offline publication** including but not limited to magazines, news articles, blog posts, infographics, charts, graphs, maps etc., please [contact us](#) for approval. Approval is provided in most cases of reasonable use.
8. Please [contact us](#) using your work email, if you feel the data is subject to copyright or violates any laws in your jurisdiction.
9. All prices on our website are in United States Dollars (USD). We are not responsible for any mistaken assumptions you make based on your local currency also being referred to as Dollar and a \$ currency symbol.

Digital Download

The data is provided to you as a digital download (a computer file) formatted as a Comma Separated Value (CSV) file that can be opened in tools such as Microsoft Excel. **We cannot provide any technical support with opening this file or using the data.** We are not responsible if you cannot use the data for any reason or do not derive an assumed value from the data or if you do not find it useful or accurate.

Due to the digital nature of the products, **all sales are final and refunds are not allowed.** The data is available for download for **30 days** after your purchase using the download links provided to you. Please download and store the data safely as soon as you purchase the data. If for any reason, you need to download the data again 30 days after your initial purchase, you will need to purchase it again.

*Please ensure that the data fits your needs by **downloading the sample data for each product prior to purchase.** Please verify that the fields in that sample file match what you need and expect because every dataset may have different fields. We are not responsible **for any assumptions you make prior to downloading the data or if you fail to download the sample and verify that the fields meet your need.***

Data Updates and Refreshes

Unless you purchase a [subscription](#), the data you purchase is available as a **one-time download.** It does not include any refreshes or updated data over time.

Data Sources

The data on this data store is gathered from one or more public sources.

We do not claim ownership or copyrights for the data, we only charge for the effort required to gather, clean and structure the data.

Warranties, Guarantees and Representations

We make no representations or provide any warranties regarding the accuracy of the data we provide. We make commercially reasonable efforts to verify the accuracy of the data commensurate with the pricing for each dataset. We make no guarantees about the quality of the datasets or its eventual value to your business need.

Subscriptions and Cancellations

All recurring subscriptions will continue to be billed until they are explicitly canceled. Any recurring subscription cancellations require a 30 day notice and can only be canceled at the upcoming renewal period. No refunds will be issued retroactively on cancellations.

Questions and Contact

If you have any questions about the use of the data, please contact us by clicking [here](#)
